

FRIGID FACTS Relative to Furs.

You are in the market for a Scarf, Muff or Fur Lined Coat. You want to buy it at the lowest possible figure that will give you satisfaction in wear. Had you realized how deceptive furs were? How perfectly a skunk skin is sometimes fixed up to represent furs of three times its value; also the common opossum, a cheap fur "doctored" up to represent sable, stone marten, etc. Then how necessary it is to buy your furs of a reliable concern—one you can depend upon to tell you what you are getting. We have spared no pains to select the best possible skins in the market for the money. We have carefully studied every one and it's a case of knowing absolutely what we are selling you. If it's a skunk skin, opossum or a real American mink you are looking at depend upon it we will tell you so.

It has been proven many times in the fur business "bargains" are not always what they seem. We believe straight business will make us better friends.

Now For Prices.

Our stock of furs come from the center of the fur world, made up by the most reliable manufacturers in the country and we are absolutely sure that every piece we offer is at positively the lowest price that equal quality can be bought for. We have some very special things for the Xmas trade in Fur Pieces, Sets, Muffs and Fur Lined Coats and Children's Fur Sets you should not miss seeing.
